

WHO ARE THE ELKS?

The Elks were founded in 1868 under the principals of Charity, Justice, Brotherly Love and Fidelity. In 1908, The Pascagoula Elks lodge was formed and since then have contributed over \$4,550,000.00 to our local community. We are not for profit, and we don't brag about most of our accomplishments, that's why you may not have heard of us. But we have been working, often behind the scenes, for over 116 years. Every year giving out Scholarships, assisting veterans, and providing for the needy.

We believe our efforts to be more important than ever in these uncertain times. The best way to help ourselves is to help each other, our community, one little bit at a time. We invite you to learn more about the Elks by visiting Elks.org. You will find that the Elks do a whole lot more than you thought possible. We are the local chapter, and we want you to join us in our efforts to make our community even better. Ask a member for an application today.

SPONSOR US TODAY

The Pascagoula Elks golf tournament is a premier mid-fall, four-ball format golf tournament. This style of two-day tournament will attract top golfers in our area. That means the players will be executives, industry professionals and decision makers. This is an opportunity to showcase your products or services to influential people while also donating to a worthy cause. The Pascagoula Elks buy local, and that means that every dollar you spend on a sponsorship returns to the community and fellow businesses. The Steak Dinner Night on Saturday night is also a great opportunity to network with area leaders. If you want to impress clients or customers, nothing will do that more than sponsoring their team in this event. Don't miss this valuable opportunity to sponsor the Pascagoula Elks and help make our community stronger and better.
